Banca CLER**

Your first login to the new Digital Banking using the PushTAN login procedure from 24 April 2023

What do you need for your first login?
- Your mobile phone (iOS, 15.x or Android, 11.x or higher*)
- Your current E-Banking identification number
- Your current E-Banking password

What do you need to do?

1 If necessary, delete the previous **"Bank Cler" app** on your mobile phone.

2 Install the new **"Bank Cler Digital Banking" app** on your mobile phone. The app is available in the App Store and on Google Play from 24 April onwards.

3 **Open the app.** You will be guided through the introduction.

4 Select **«Register»** and then **«Use mTAN».**

5 Enter your personal **E-Banking identification number** and **password.**

6 Enter the mTAN code you received via SMS on your mobile phone.

7 Enter a **name for your mobile device** or accept the suggestion. Then click on "Register".

8 Set a **personal app PIN** and confirm it.

9 If you wish, confirm the use of **biometric login** (Face ID/Touch ID).

10 Grant permission for **push notifications** and, if necessary, Face ID/Touch ID (incl. risk and user information).

11 You are now **logged in successfully.**

To subsequently log into Digital Banking through a web browser (www.cler.ch), enter your E-Banking **identification number** and the **password.** Immediately afterwards, you will receive a PushTAN on your mobile phone for confirmation.
